NEW ACTIVITY - "GET GOOGLED"

"Get Googled" - understand the basics of emailing your friends and family, arranging your life on an e-calendar, invite others to join you or share your location with them. Additionally, store your files in the cloud and find out how to share them with freinds, open a virtual office or explore the endless hours of youtube.

Learn how to view the World from space and how to place your house on the map.

Come along and discover just what your smartphone or tablet can do to make your lesisure life more interesting.

No previous knowledge necessary. Informal course structure.

Laptop/Smartphone or Tablet essential.
